STATEMENTS AND AGREEMENTS

Part A: Statement of Standards
Jerusalem University College strives to cultivate an enriched understanding of the Christian faith through a first-hand encounter with the Land, involving the language, history, and culture associated with Scriptures. It makes use of the unique resources available in Israel to fashion an education of high quality.

The Jewish and Arab cultures here differ from one another and are quite different from the Western culture of which many incoming students are a part. While the nonreligious segment of the Jewish culture has similarities with the Western culture, the Arab people—both Muslim and Christian—have very different values and norms of behavior.

In recent years the social culture in the Western world has changed so rapidly that the behavior of some students coming to the university has been detrimental to the ongoing Christian witness JUC seeks to maintain with the Jewish and Arab peoples (including those on the Institute staff). For this reason we ask that you endeavor to understand the position of the Institute in this country and agree to abide by the following university standards.

Because of the cultural mores, particularly within the Arab population, a dress standard is observed. Short shorts may not be worn at any time. Mid-thigh and walking shorts are acceptable on field trips. Slacks are generally acceptable everywhere. You represent the Institute while you are here; how you look becomes how we are viewed in the eyes of the community.

The Arab community does not have the equivalent of the word “dating” in its vocabulary. When a woman is seen with a man, it may be assumed that, if they are not married, they may be living together; therefore, the woman (unmarried) would be considered a “promiscuous woman.” With this in mind, students must be cautious in their physical contact with each other. This includes engaged couples and married couples.

Agreement: I have read the above Statement of Standards and understand that I will be living in Israel under the auspices of the Jerusalem University College. I also understand the Christian frame of reference in which I will be living. Should I abuse my relationship to the university, I realize that the university has the responsibility and the authority to sever this relationship and to arrange for my return to my country, at my expense. I also understand that as well as being subject to the rules and regulations of Jerusalem University College, I am subject to the rules and regulations of my home institution (if I am currently enrolled elsewhere). I, therefore, agree to strive to the best of my judgment to fit into life at the university and to be a responsible participant in the program to which I am admitted.

Part B: Disclosure Statement
Travel invariably has its hazards, especially in countries where standards of health care, sanitation, public safety and similar situations differ from those in your home country. Other complications you may encounter are changes in language, customs, culture and laws.

Jerusalem University College makes every effort to avoid unnecessary risk by trying to control travel, food service, and sanitation. The university has operated for over 40 years in the Middle East and has had few incidents and no major problems. However, the educational experience requires that we travel in the countryside where physical exertion (this is a strenuous program) and exposure to the culture are common. You should understand that this study and associated travel can be undertaken solely at your own risk.

The university is a non-profit educational institution with few assets and minimal insurance. It is essential that you have health insurance while in Israel. Hospitals will not treat a patient without proof of credit card or cash. All hospital bills in Israel must be paid in full before the patient is discharged; therefore, you must do the following:

1. Obtain an insurance policy in your home country which will cover you while in Israel. Please contact your local carrier to be certain just where you stand in regard to health, accident, travel, and life insurance and what may be required. You should plan on bringing contingency funds to pay by credit card or cash should an emergency arise. A claim may then be filed with your insurance company for reimbursement of the fees.

PLEASE INITIAL HERE YOUR AGREEMENT WITH PART A

**Agreement:** I have read the Disclosure Statement, and I understand and accept my medical responsibilities and verify that I have appropriate insurance coverage. I empower Jerusalem University College, in emergency situations, to assign me for medical treatment, even if such treatment is beyond my insurance coverage in Israel, including hospitalization (at my expense) if such is determined necessary by a medical doctor, and to return me to my home for medical treatment (also at my expense) if circumstances warrant.
